SKINJEXION Treatment - High Performance Line Reducer, 75 min.

150BGN

A deep-wrinkle reducer therapy to fill the lines and plump out the skin immediately. An alternative of the best-known Botulinum Toxin Injection.

Treated areas: nasolabial folds (lines from the nose to the mouth), crow's feet, forehead, melomental folds (lines from the mouth to the chin), neck wrinkles, frown lines.

Results: skin is plumped and firmer with the characteristics of a revitalized young skin - relaxed mimic muscles, provoked skin defense and slowed down the cutaneous aging

MESO-VIT Treatment – Vitamin Booster, 75 min.

130BGN

A “meso-like” effect with tiny micro needles which open the pores to the serum and do not puncture the skin. A “vitamin-booster effect ” due to a supply of 3 Vitamins: Vit A, Vit C and Vit E . Regenerating, lightening and protective treatment.

OXYGEN PEARLESENCE Treatment, 90 min.

120BGN

A therapy for perfection – a special care for skin regeneration with pure Oxygen molecules for reducing fine lines, even complexion, firmer and glory skin.

ENZYMACID Treatment, 90 min.

100BGN

A therapy that smoothes the skin micro-surface like a professional micro-dermabrasion session. This peeling treatment removes dead cells and impurities, smoothes the skin texture for a real "new skin" effect! Treatment that treats several types of skin problems: dull complexion, smoker skin, hyperpigmentation, thick skin, superficial blemishes, residual scars, surface wrinkles, tired skin. The treatment consists of 5 dermo-cosmetic innovations: mechanical peeling, 7 fruit acids chemical peeling, a glycol and lactic acid microcapsula, stabilized Vit. C.

BEAUTYGEN Treatment, activates the skin's "beauty gen", 70 min.

105BGN

Scientists have managed to decipher the skin's 'beauty gen'. Beautygen Snow Algae Extract in combination with anti-age peptides, activates the skin's "beauty gen", protects collagen fibers and improves elasticity. Beautygen treatment renews and rejuvenates the skin, neutralizes free radicals and stimulates the skin's cell protection, accelerates repair mechanisms and smoothes lines and tiny wrinkles.

TIMELESS Treatment, for timelessly beautiful skin, 60 min.

85BGN

Firm contours and a youthfully vibrant look! The treatment offers an exceptional selection of anti-aging products and a special anti-age massage technique which effectively work against the signs of time on your skin. The secret is in a golden Alpha ampule concentrate for immediate results. The treatment significantly improves the structure of the skin and promotes firmer, smoother contours; it looks even and visibly smoothed.

HYDRO ACTIVE - The intelligent moisture care, 70 min.

65BGN

A treatment that features "intelligent" active ingredients, moisturizing oils and special encapsulation techniques that deal with the needs of both dry and combination skins, providing care and protection against moisture loss. Even pronounced wrinkles of dry skin are plumped from within and visibly reduced. The skin regains its fresh and firm look in only few minutes. Intensive final care - Hyaluron Filler Caps with pure hyaluronic acid that immediately and visibly smooth the skin and at the same time very quickly and effectively provide the skin with deep hydration.

ELEMENTS OF NATURE, 30 min.

35BGN

A treatment that offers an intensive care for the eye and lip contours. A high-quality natural cosmetics in combination with an Epigran ampule - a multi-active essence obtained from wheat germ. It provides natural, expert care for every skin type and condition. The skin around the eyes and lips looks younger, fresher and relaxed - the results are obvious.
